WELCOME TO APPOLONIA CITY

Appolonia City is a modern 2325-acre mixed-use, master-planned, serviced, and controlled development located in the heart of Oyibi. As the first major development of its kind and scale, Appolonia City offers an attractive location for innovative and forward-thinking entrepreneurs to build businesses that will thrive. Spread over 100 acres, Appolonia City's commercial districts are meticulously planned to offer the perfect canvas for businesses to flourish. The available lands are designated for local and mixed business and social use, making them perfect for establishing shopping centres, offices, hotels, restaurants, churches, hospitals, and recreational facilities. Appolonia City is a project by Rendeavour, Africa's largest city builder with more than 12000 hectares of visionary projects in Ghana, Kenya, Nigeria, Zambia and Democratic Republic of Congo.
