## APPOLONIA INDUSTRIAL PARK (AIP)

## INFRASTRUCTURE

Appolonia Industrial Park (AIP) is a 200-acre light-industrial park under development by Appolonia City with support from the Association of Ghana Industries (AGI), the largest industrial association in Ghana.

The industrial park is home to the following sectors:

-  LOGISTICS & WAREHOUSING
-  SHARED SERVICES & DATA CENTERS
-  FOOD & BEVERAGE
-  GARMENTS & TEXTILES
-  AGRO-PROCESSING
-  PLASTICS & CHEMICALS
-  BUILDING MATERIALS

Road network & street furniture with underground and covered u-drains.

Electrical power distribution: 18 km of dedicated power lines and 60 MVA - 33/11kv substation with 6 powerlines from Mobole, Adenta, and Dodowa primary supply points giving increased power redundancy.

Internet via fibre optic infrastructure with high bandwidth capacity.

Portable water: 14 km of dedicated water line to the city from the main Ghana Water Company Ltd.(GWCL) booster station in Kpone.
